Job Specification

Due to continual growth and an exciting pipeline of product developments, we are recruiting for Graduate Business Development Executives based at our Chelmsford Head Office.

We are looking for a strong self-starter to further business opportunities and actively increase revenue.

As Graduate Business Development Executive you will have the opportunity to earn large amounts of money, start a progressive career and become a part of a supportive and fun company- we even offer company holidays!

You will be responsible for creating, managing and closing lucrative solutions. Can you overcome challenges and think outside the box? If the answer is yes, you could propel yourself into an ambitious and rewarding career- who knows you could soon be working towards a variety of senior management positions.

The culture is hard-working, friendly and entrepreneurial.

Responsibilities as a Graduate Business Development Executive:

- Identify and develop new sales prospects and drive the sale of all products;
- Attend meetings and pitches with senior colleagues to build knowledge of DBS offering.
- Progress to conducting prospect meetings independently.
- Conduct telephone and face to face client meetings.
- Build a robust pipeline of opportunities;
- Hit and exceed sales quota.
- Ability to accurately forecast based upon realistic opportunity assessments.

Candidate Specification:

At DBS we believe in instilling our team with the skills needed to succeed and as such we are an accredited Investor in People. We also set the bar high when we recruit. The successful graduate candidate will be:

- Money motivated - recognising you are now looking for a career not just “any” sales job.
- You will have good written and verbal communication skills, and the ability to build strong relationships with clients and staff.
- Resilient - can show strong examples of resilience inside/outside the workplace
- Tenacious, you will have that hunter attitude and always be generating new business opportunities through a variety of telephone lead generation, networking and referrals.
- Candidate must demonstrate resilience.
- Minimum 2:2 degree
- Wants to work in a target driven sales environment

The Training

Through a tailored training programme you will learn how to source clients, match our unique offering to their needs and onboard key brands. This is a dynamic SALES role. You will be selling at every stage of the process. In exchange for winning major brands and hitting targets, you will receive a lot of rewards, commission and career progression!

The Package

- Competitive salary
- Excellent OTE
- Full bespoke training
- Company Holidays
- Nights out / social events- all expenses nights out!
