

DBS Market Research Solutions

Panel Recruiting

At some point, most if not all market research companies have a need for an online panel. Often, the only option is to work with one or more online panel providers... which is great news... for online panel providers.

Market research solutions from DBS Data can provide a quality, cost effective alternative – **Your own online panel.**

Whether you are looking for B2C, B2B or even a specialised list of patients, we can recruit premium quality, responsive panel members quickly and cost effectively.

Panel Recruiting Criteria

- All members are profiled to your requirements
- Single or multi-country
- General consumer
- IT and/or Business Decision Makers
- Patients by condition
- Line of business management
- Panel sizes to your needs
- Double opt-in
- Highly responsive
- All panel member details passed on to you.
